

Meet the Principals

Gerald Greenspoon

Known as a visionary, Gerald (Gerry) Greenspoon co-founded Greenspoon Marder in 1981 with a handshake over a kitchen table with partner Michael Marder. Today, the firm has over 240 attorneys in over 20 offices throughout the United States. While the firm offers a wide range of services, Mr. Greenspoon has gained national attention for himself and Greenspoon Marder for his work in the areas of real estate development, resort and timeshare development, condominium conversions, and finance and transactions. He works closely with developers and investors of some of the largest developments in Florida and throughout the United States, offering not only legal advice but also keen insight into the industry and access to invaluable resources. Thanks to Mr. Greenspoon's vision, foresight, and commitment to client service, Greenspoon Marder continues to experience strong growth and prosperity, as it has for over 40 years.

Michael E. Marder

Michael E. Marder is the co-managing director and co-founder of Greenspoon Marder. Since founding the firm in 1981 with partner Gerald Greenspoon, Mr. Marder has focused his practice on complex business litigation, transactional law, and real estate banking & finance. He has extensive experience in hospitality and vacation ownership law and has helped shape the industry over the last four decades. Mr. Marder has represented the interests of the largest privately-held timeshare and vacation ownership company in the U.S., as well as numerous other hospitality clients, in a practice that spans all facets of the industry. Mr. Marder uses his decades of experience to create processes to support and guide his clients through project planning, structure, regulatory, financing, title, associations and administration of their properties.
