

Testimonials

"It's all about time. If the documents aren't ready and the closing gets postponed, I could lose thousands of dollars. I credit the professionals of Equity Land Title with my sales closing on time and saving me money. They are efficient problem solvers and that sets them apart from other title companies."

Noah Breakstone, Miami Developer

"I like how fast they are to respond to me and my clients. They're completely accessible. I can always get someone on the phone or by email quickly."

Donna Carbonara, Broker, Carbonara Properties

"Terri, the COO, personally took our calls and patiently answered all of our questions. She even suggested ways for us to save money on our title insurance."
