Equity Land Title provides a competitive advantage when it comes to new timeshare closings. Because of our close working relationship with Greenspoon Marder, which has been involved in the timeshare industry from the start, Equity Land Title offers the experience, resources, and technology that you would be hard pressed to find anywhere else. Our resources allow us to get the job done right the first time around, leaving you worry free and confident.

We work very closely with many developers in handling all aspects of timeshare closings. This includes title examination, title insurance commitments and policies, title search title reports, document preparation, escrow services, construction loan disbursing and servicing as well as receivables funding.

Equity Land Title is an authorized title insurance agent for Commonwealth Land Title Company, First American Title Insurance Company, Fidelity National Title Insurance Company and Attorney's Title Insurance Fund. We collectively represent the largest title insurance underwriters in the United States.

Our 30+ years of experience, advanced technology, unlimited resources and streamlined processes make it easy for us to efficiently handle bulk deals for developers. This sometimes amounts to 500 to 1,000 per week. Furthermore, we accomplish all of this while remaining completely focused on providing superior client service.
